

NEW!

AXIPACK

# Post-Industrial and Post-Consumer PP sheets available!

Aware of environmental issues and of its responsibility as a manufacturer, Axipack is fully committed to sustainable development by starting its transition to a more virtuous model. To meet this objective, ViPrint™ is now available in two new ranges incorporating a large proportion of recycled materials.

ViPrint™ **eco**

The formulation incorporates 20 to 80% post-industrial recycled material

ViPrint™ **eco+**

The formulation incorporates 20 to 80% post-consumer recycled material (from marine litter)

Products bearing these labels are now **recyclable** and **recycled**.  
Welcome to the circular economy!

On the occasion of the launch of our eco responsible products and with a view to harmonising our offer, our "original" range is now named : **ViPrint™ crea**

**ECO & ECO+** are available in the following colours:

\*from 0,40 mm thickness

Thickness: from 0.30 mm to 1.60 mm / MOQ: 1,000 kg. **ECO & ECO+** are available in the following collections:
